Payment policy:

I understand that all payments are based on a twelve month calendar year, which includes time off between seasons. I also understand that because payments are month to month that this is to help parents when swimmers are going to not swim for 3 months or more. If a swimmer does not miss a minimum of three months the family is responsible for those months. All payments are due by the 4th of each month. If the payment is made after the 4th I will add and pay a \$25 late fee to my payment.
